We manufacture high-quality
custom-made products

Plastic Injection

All types of plastic products, with different finishings and in a wide variety of colours.

Containers

We manufacture containers of up to 1 litre of capacity in many colours and finishes.

Our File Section

Riveting machines and presses to work on cold-rolled plates which combined with the injection of parts result in sturdy and functional files.

Other processes...

Ultrasonic welding, thermo bonding, tampon printing, serigraphy, thermal printing, IML...

FINISHING

Of Spanish Manufacture

The Display Cases marked with the "PREMIUM" icon are manufactured in Spain and are of high quality and resistance.

PREMIUM

We can manufacture any type of display case you need. If you don't find the model you are looking for in this catalogue please contact us!

Measurements

All the measurements are expressed in millimetres and generally using as a reference (depth x width x height).

In cylindrical products, we take into account diameter by height and for flat products, width by height.

Colours

The nomenclature of our range of colours is the following:

Steel	AC	Burgundy	BU
Mauve	ML	Red	RJ
Aluminum	AL	Crystal	CS
Yellow	AM	Assortment	SU
Ivory	MF	Chrome	CM
Anthracite	AN	Green	VE
Brown	MR	Fuchsia	FC
Blue	AZ	Kiwi Green	KW
Orange	NA	Smoked	FM
Graphite	GF	Sea Blue	LG
Beige	BE	Black	NE
Nickel	NI	Grey	GS
Silver	PT	White	BL

PRODUCT PERSONALISATION

Our products can be marked with your company logo using different personalisation methods such as serigraphy, thermal printing or IML.

Customisable products

We have identified those products that can be personalised using a series of icons.

In each one we indicate the minimum amount required in order to proceed with the option chosen by our client.

CUSTOMISABLE PRODUCT

Will indicate the minimum amount required to be able to personalize it.

SPECIAL COLOURS

Will indicate the minimum amount required to be able to manufacture this product in special colours referenced.

PERSONALISATION METHOD

SG: Serigraphy
TI: Thermal Printing
TG: Tampon Printing
IML: In-Mould-Labeling

SPECIAL MEASUREMENTS

Will indicate the minimum amount required to be able to manufacture this product with special measurements.
